## About Us

We are UK's largest photo booth manufacturer & Europe's largest photo booth supplier.

Using high specification technology, we produce market leading novelty photo booths & equipment, perfect for the events industry.

Established since 2011, we have sold more than 2000 photo booths worldwide to customers across all industries, of all sizes.

We have experience in working with global corporate clients including: Moët & Chandon, Debenhams, L'Oreal, Coca Cola, Monster Energy, Selfridges, ITV, Jessops, Topman, and BBC.

# INCREASE SOCIAL MEDIA PRESENCE

## Branded Selfie Pods

Available to purchase from  
£3750+VAT

Our branded Selfie Pods are ideal for space restricted environments, or pop up events as they take up minimal room. Quick and easy to set up, the Selfie Pod is an open air style photo booth, all the fun just without the privacy of a curtain. Guests can use the touch screen on the Selfie Pod to capture a high quality instant photo, that can be collected from the built in photo catcher. The Selfie Pod can be fully branded using printed PVC skins.

Product features include:

Take a Photo | Facial Recognition | Video Recording |  
Branding Options | Synchronise with Social Media | Survey Function\*

**BRAND NEW FOR 2017 - TABLE SELFIE**

## PROVIDE A UNIQUE SELLING FEATURE

### Table Selfie

Available to purchase from  
£599+VAT (per unit)

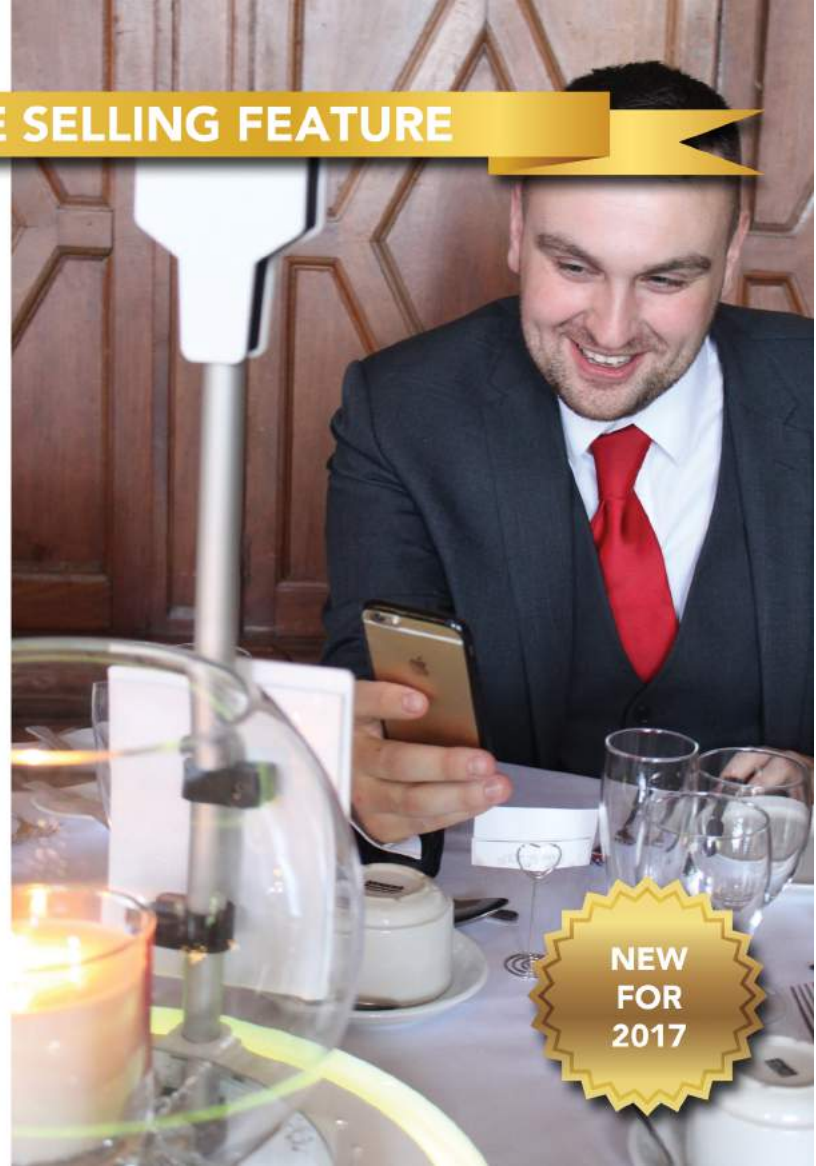

The latest must have gadget table decoration for any sit down occasion. Positioned in the centre of a table, the Table Selfie captures photos of all guests. Spin the Table Selfie and connect with your phone to initiate a countdown. The Table Selfie camera will take a photo that can be saved, shared on social media, or printed.

Table Selfies can be placed on multiple tables and combine with other centre pieces. All photos captured are stored on a central hub, which can all transfer onto a USB at the end of an event.

- ✓ **Unique USP for your venue**  
Appeal to more customers
- ✓ **Increase online buzz through social media**  
Gain social media attraction and fans
- ✓ **Guarantee fixed revenue**  
Charge a fixed amount for a guaranteed income at a function.

- ✓ **Technically trained team**  
From our factory workers to our technical support team, all Photobooths staff are fully trained and are always willing to help.

## CASE STUDY

A set of three photo booths were produced in the iconic form of the Doctor Who Tardis on behalf of BBC. More than 1500 photos were taken daily in each photo booth over a 30 day period!

PHOTO BOOTH SINCE 1742  
**MOËT & CHANDON** CASE STUDY  
CHAMPAGNE

Installed within UK Selfridges stores, the World's first champagne photo booth was created on behalf of Moët & Chandon. The booths produced bespoke printed champagne labels to directly apply onto bottles.
